

Dear Speaker Phelan,

When Texans elect lawmakers as their representatives, it is with proper expectation that they will serve with the utmost honesty, integrity and will make well considered decisions that preserve and protect their liberties. When we elect Republicans as a majority, we expect conservative actions and Republican control.

Throughout your tenure as Speaker of the House for the 87th and 88th legislative sessions, you have repeatedly demonstrated your disdain of the Republican Party of Texas's (RPT) platforms and legislative priorities.

Your appointment of 13 Democrats in the 87th legislative session and nine in the 88th to serve as chairmen of key committees opposed the RPT platform and its legislative priorities. Your chairman appointments of members of the LGBTQ Caucus violated RPT Principle 6. Your appointments were instrumental in the failure of bills that would have been of great benefit to the people and businesses of Texas. Not to be overlooked is your appointment of Hugh Brady, a former Obama official as Parliamentarian, violative of RPT Principles 3 and 6.

During the 87th legislative session, when the Democrats fled Texas to avoid passing the election integrity bill you did nothing but reward them with failing to pass good election integrity bills. Your poor leadership has led to no viable border bill, China continuing to buy up Texas lands, no elections bills to arrest known election corruption and no property tax relief in sight due to your "sine die". Your monetary support from Democrats is shameful. You have empowered the House Democrats and aided their efforts to kill dozens of bills that would reinforce and strengthen our conservative State.

During the call of SB14, you rewarded the LGBTQ distractors by emptying the House instead of removing them thus delaying passage of SB14 at taxpayer expense.

You brought an impeachment of Attorney General Ken Paxton alleging support from a committee report consisting of nothing but hearsay and devoid of one single word of sworn testimony. This action was in direct violation of Texas Government Code 665.081. With that action, you and the 60 Republicans who followed your lead to form a uni-party by voting for impeachment showed no respect for the millions of voters who elected Ken Paxton, including the 79.7 percent of the voters in your own district. Joe Biden and the Democrats applaud you. Worse is your demonstrated disregard for constitutional protections which were blatantly dishonored throughout your entire impeachment process from its inception, including destroying the presumption of innocence and continued tampering with the Senate. Your vote for impeachment violated RPT Principles 1 and 8.

Texans are a proud people. Texas has always been looked upon as a leader and a bold example of Liberty to the rest of the nation. You have tarnished our reputation, betrayed your State by violating your oath and portraying Texas as a "banana republic" with a kangaroo House. *Proverbs 10:9: "Whoever walks in integrity, walks securely, but he who makes his ways crooked will be found out."* *Prov. 29:18: "Where there is no vision, the people perish..."*. Mr. Speaker, the people are perishing. "Where the people fear the government, you have tyranny. Where the government fears the people, you have liberty.", quoting John Basil Barnhill, 1914. Your tyranny has led to nothing but bondage. I hold fast to my right to be heard regarding your failures.

Texas deserves a true Republican to serve as House Speaker.

Article I, § 2 of the Texas Constitution states that the people can alter their government as they deem necessary. Today, I, a proud Texan, choose to alter my government by demanding your resignation *instanter*.

For the wellbeing of Texas,
